

Recruitment for Campus English Program Group Leaders

Are you interested in a unique cultural experience in Korea? Here is a great opportunity to see and experience Korea while getting to know Korean university students firsthand.

Pohang University of Science and Technology (POSTECH), one of the top universities in Korea, is looking for candidates who are energetic university students in his/her home country. If you are interested in teaching English in a special program during the summer session in Korea, please do not hesitate to apply for a group leader in our Campus English program. You do not need to have completed a university degree. All you need to apply for this position is a great interest in teaching English and exploring Korean culture.

Campus English Program

Campus English program is a two credit course for POSTECH undergraduate students, which is designed to improve communication skills through group activities. These activities include such things as topic discussions, a skit contest, a final project and field trips. The activities are normally led by group leaders with native or near-native English proficiency and are usually held in the evenings and on Saturdays. The university students in this course will perform approximately **120 hours (24 hours/week)** of group activities during this five week course.

What do I have to do as a Group Leader?

You will be responsible for three to five POSTECH students. The group leaders are expected to spend a minimum of 24 hours a week with their students. They will meet for three or four hours every evening and five or six hours on the weekend during the field trips.

You are responsible for leading various daily group activities, monitoring student attendance and participation, and attending group leader meetings. There is no detailed daily schedule for this program. The daily schedule will be worked out among the group leaders and the students of the program during the first week. Through building your own daily program, the students will be able to maximize their opportunities to speak in English in their dealings with the group leaders. This will help to improve their communication skills and confidence with the language.

Salary and Benefit

- A Group Leader from English medium partner universities will receive KRW 1,000,000 for the period of employment of 5 weeks after taxes.
- POSTECH Language Center (POSLEC) will provide the Group Leader with a dormitory room in Dormitory #RC free of charge. However, the Group Leaders will be responsible for his/her own meals, which can be purchased for about 3,000 won each at the student cafeteria.
- POSLEC will provide financial support for the field trips.

Contract Period

The program will run from **June 11, 2018 to July 12, 2018**. Orientation will be from **16:00-17:00** on **June 11, 2018**. Group Leaders should arrive in Pohang around June 9th or 10th.
